## A coastal wonderland

Nestled in a turquoise waters of Turks and Caicos,  
Amanyara offers voyages of discovery in every direction.

### The Amanyara Experience

Where soft, sandy beaches meet the deep, alluring waters of the Atlantic. Providenciales sleeps quietly; an island solace in the Turks and Caicos archipelago.

Welcome to Amanyara, on the isolated west coast. Where luscious parkland brimming with wildlife meets a hub for on-the-water activity on one of the Caribbean's most pristine and private kilometers of sand. A gateway for exploration and a temple of seclusion; whether horse-riding along the coastline, driving the island roads in your own SUV or spending a day at sea on a private yacht charter.

Please find your own adventure over the coming pages which showcase the best the island has to offer. While guests are encouraged to explore Amanyara's verdant landscapes as they wish, the Amanyara team are on-hand to help with your custom itinerary, tailored to your personal preferences.

*Advance booking is recommended*

## Adventures on Land

While Amanyara's waters and sands might be your first port of call, the region is rich in nature providing a grounding start to your journey on land. With plenty to discover off the water - there's more to Amanyara than meets the eye.

### Amanyara Private Drive

For up to four guests, visit the island's hot spots by car accompanied by one of Amanyara's dedicated team members who will remain on hand for to provide local expertise along the way.

Shop for local keepsakes, go underwater at one of the island's best snorkeling sites or dress up and indulge in a fine-dining dinner. Amanyara's private drives are the safest and most convenient way to uncover Providenciales.

### Amanyara Signature Island Tour

Experience all the hotspots with Amayara's Signature Providenciales Island Tour. First, take a trip to the largest sinkhole over water in Turks and Caicos - a fascinating geological site to marvel. Next, catch your breath, with the opportunity to relax on the magnificent Grace Bay Beach with seven-miles of uninterrupted sands before taking a stroll around the Salt Mills area where duty-free and souvenir shopping provides an afternoon of entertainment.

Finally, make a stop at the Cheshire Hall, a 200-year old historic cotton plantation which provides a cultural immersion to end a day of discovery in Providenciales.

### Horse Riding

There are fewer more romantic ways to experience the island than horse-back riding. Travel across the sands and into shallow waters making unforgettable memories along the way. Ride along winding pathways and traverse the island's secluded beaches to the sound of the soft breeze of Providenciales.

Location: Long Bay Beach or Malcolm Beach  
Schedule: 9:30am or 3:00pm (Winter) / 9:30am or 3:30pm (Summer) from Mondays through Fridays.

### Self-Exploration

What better way to experience all the 38 square miles of Providenciales has to offer, than by heading off-the-beaten track in an SUV made for adventure. Take to the open roads, stopping along the way to immerse oneself in local culture, or photograph the wildlife you'll spot along the way.

For those wishing to take a self-powered journey, electric bicycles provide an easy, eco-friendly alternative. Both SUVs and bicycles are available through Amanyara's rental partners. Routes can also be advised.

## Tennis & Golf

Whether it's an early morning round to awaken the body or an afternoon of entertainment with friends, those seeking a little wellness in their daily routine can find it through tennis, golf or at the Amanyara Clubhouse.

### Clubhouse Tennis

Amanyara's four clay Har-tru tennis courts are available for both play both by day and night. Start your day with an exhilarating round. Tennis balls, rackets and shoes are provided complimentary.

### Tennis Lessons with Rue Galero

A Certified Level 1 TELOSTM Tennis Professional, Rue has discovered new levels of satisfaction and success teaching Peter's TELOSTM Tennis Curriculum and is on hand to share his knowledge with guests of all ages and levels.

### Golf

Provo Golf Course provides lush fairways and immaculate greens on which to play an exhilarating round. Consistently appearing in the Top 10 Golf Courses in the Caribbean, the course is an 18-hole championship course noted for a challenging round while maintaining a quick pace.

With four sets of tees for golfers of all abilities, the course also offers premium Tailor-Made golf clubs for rental, a full-service pro-shop, practice chipping and putting areas and warm up driving nets. When the game is over, Fairways Bar and Grill provides the opportunity for a post-play debrief and well-earned refreshments. Just 30-minues drive from Amanyara, Provo Golf Club is open year-round from 7am 'until dusk.

A woman in a black tank top is shown from the side, holding a surfboard. The surfboard has a blue and white design. She is standing on a blue and white checkered beach towel. The background is a bright, hazy beach scene.

## Adventures from the Beach

Amanyara's pristine, white-sand beach is the perfect base for an afternoon of activities on the water without venturing further afield. All the activities listed on this page are complimentary for guests, with the Beach Team on hand to assist with any requests.

### **Stand Up Paddleboarding**

Perfect for Amanyara's calm waters during the summer months or a more adventurous ride during the winter, paddleboards are freely available for guest use from the beach. Beginners instructions are also offered – don't hesitate to ask for a lesson and soon you'll be free to explore the shores.

### **Seabob**

Dive, twist and speed along Amanyara's tropical coastline to explore the underwater world by our motorized SeaBobs. Enjoy riding solo or take a 60-minute guided tour for up to two persons. Seabobs are not suitable for those who are pregnant, have neck or back injuries or are aged under seven.

### **Kayaking**

Amanyara has both single and tandem kayaks available for guests' use. The shores of Malcolm's Beach and the adjacent iron-shore coastline provide a picturesque backdrop for kayaking with many coves, inlets and deserted beaches for guests to explore.

### **Hobie Cat Sailing**

Enjoy the cool breeze of the coastline on Amanyara's Hobie Cat sail boats where our beach team are ready and waiting to show you the ropes. After an introductory lesson, use of the Hobie Cats is complimentary.

### **House Reef Snorkeling**

Just a five minute boat ride from Amanyara's beach, the reef nearby provides an afternoon of exploration within the Northwest Point Marine National Park where the water ranges from two - 12 feet deep. Join the beach club team aboard Amanyara's snorkel boat to discover an underwater world that species of vibrant coral and beautiful tropical fish call their home. Complimentary trips are available at 10.00, 11.15 and 14.00. Reservations are required 60-minutes prior to departure. Private trips are available for up to six guests.

## Adventures on the Water

Amanyara offers a gateway to exploring the captivating Turks and Caicos coastline - its crystal waters and secret sleepy shores just waiting to be discovered.

### **Kite Safaris**

The aptly named Down-Winder Kite Board Safari is perfect for groups of one to four guests. A guided tour taking approximately three to four hours, the adventure starts at Leeward Point or Long Bay and includes two hours of flight time alongside much needed refreshments on board.

### **Kite Boarding**

For those seeking an adrenalin hit on the water, Big Blue Unlimited provide Kite Boarding lessons with experienced IKO certified instructors. Soar along the island's dramatic coastline with equipment provided for all lessons and available to rent for certified or experienced riders.

Based at Shore Club in Long Bay, private lessons are available for kite boarders of all ages. Alternate locations can be arranged by the instructor dependent on conditions. Transportation from Grace Bay area is included. Supervised practice for those seeking to improve their technique or take their beginners lesson to the next level can also be arranged.

#### Private Dive Charters

Diving without time constraints, Private Dive Charters allow guests to experience sites less visited on their own schedule. Small groups benefit from intimate dive vessels, which provide divers with ample flexibility and comfort to make the most out of any underwater adventure.

Visit the best sites while experiencing long dives and refreshments. Beginners are also able to complete their DSD (PADI Discover Scuba) while on a private charter.

#### Full Day Freediving Experience

Take to the water on a journey of self-discovery with freediving expert, Samantha Kildegaard. Surrounded by the paradisaical waters of Amanyara, the experience offers a truly revitalising experience for body and mind, encouraging full relaxation through the art of breath holding. Descending into the ocean on a single breath of air without any breathing apparatus, freediving allows you to experience the water in a completely different way. The full day programme challenges the diver to let go and embrace the present moment and is available to guests of all ages and skill levels.

#### Swimming Lessons & Coaching

SURFside Ocean Academy is the first established swimming school in Turks and Caicos. A TCI national affiliate, it offers scheduled swim classes year-round and special outreach swim programs on Provo (Youth Centre), North Caicos and Grand Turk.

Private, semi-private and group lessons are available for aged three months upwards, from non-swimmer to advanced. Lessons can also be offered at Amanyara from a visiting coach in the main pool, sea or within the privacy of your own villa.

#### Diving

Home to the third largest barrier reef in the world, experience the best marine life in Turks and Caicos with Big Blue Collective.

#### Diving Sites

Northwest Point is a protected Marine Park famous for its steep walls. Starting at 40ft/12m at the top of the wall it drops off several thousand feet into the blue. It is also an excellent training area.

West Caicos is in a protected Marine Park and offers some excellent diving. It boasts an awe-inspiring wall that starts at 50ft/15m alongside the possibility of sighting eagle rays, reef sharks and turtles.

Ideal for advanced divers, French Cay's wall starts at 50ft/15m and showcases outstanding sea life with a chance of encountering reef sharks and eagle rays. The walls host an estimated 80% coral cover and supports many species of marine life.

At Grace Bay, depth starts at 30ft/9m, drops over the mini wall to 100ft/30m and is characterized by spur and groove formation. It provides excellent, easy diving with an opportunity to see schooling fish, reef sharks and turtles.

#### Dive Courses

Big Blue Unlimited provides high quality dive instruction on a private or semi-private basis. Instructors teach through the PADI agency, a globally respected organization. The most popular courses are Discover Scuba Diving (DSD), PADI Open Water, PADI Advanced Open Water and NITRO.

## Eco Experiences

Amanyara's proximity to the Frenchman's Creek Nature Reserve and the Island of West Caicos make it an ideal based for fully customisable, private eco-tours.

### Kayak Eco-Tour

Kayaking alongside an experienced guide, explore the serene mangrove habitats while learning all about the nursery grounds, marine life, birds and coastal ecology before taking an unforgettable trip to the Iguana Sanctuary. When the exploration is done, relax on one of the beautiful beaches nearby; a dip in the crystal waters will provide an idyllic ending to a day of discovery. Beginners are welcome.

*Duration: 7-8 hours.*

### Stand-Up Paddle Boarding Eco-Tour

There are few better ways to experience the eco-systems of Amanyara than via paddleboard. Get up close and personal with the mangrove wetlands, home to a variety of marine and bird wildlife, while learning about these spectacular natural surroundings from the tour's experienced guides. The adventure leaves from the Big Blue base at the Leeward Marina. Minimum age 12 recommended.

*Duration: 2 hours.*

### Heart of the Island Eco-Tour

Travel to the charming islands of North and Middle Caicos by boat before continuing the adventure on land and exploring the cultural heart of the Caicos Islands. Visit plantation ruins, limestone cave systems and soak up the views at the famous Mudjin Harbour beach, where waterfront eateries serve fresh local seafood. For guests wishing to continue the journey on two wheels, a biking adventure on North Caicos is also available.

*Duration: 7-8 hours.*

### Frenchman's Creek Eco-Tour

Explore the mysterious mangrove wetlands and remote beaches of Frenchman's Creek Nature Reserve which lies to the south of Amanyara. Watch out for marine and birdlife that frequent the area before indulging in lunch on a spectacular beach nearby.

*Duration: 3-4 hours.*

### Nature Walk

Discover the island's flora, fauna and migratory birds in the forest and along the shoreline, then enjoy a private picnic on our secluded deck above the sea. Alongside Amanyara's nature guide, guests will learn about various types of plants, animals and flowers - from the Butterfly Pea to the Spiney Cactus - before arriving at the beach. Overlooking a picture-perfect cove, on a secluded stretch of coastline, a simple wooden deck makes the ideal place for refuelling.

# Activities for Children and Teenagers

With activities and facilities to appeal to all ages, Amanyara is a destination where family memories are made. Share unforgettable experiences together, or enjoy some adult time, knowing your children are safely entertained.

## Nature Discovery Centre

Amanyara's Nature Discovery Centre offers programs for all ages. Surrounded by a rich and vibrant Marine National Park and Nature Preserve, it is the perfect place to explore the unique wildlife on land and underwater! Experience our nature walks, guided snorkel trips, diving, earth talks, out island adventures, and take part in our Nature Conservancy initiatives. Give children the opportunity to explore and learn through our youth adventure programs. Facilities also include a children's pool, a jungle gym and club house. For children aged 12 and over adventures on the water include a mangrove paddle safari at Frenchman's Creek, Southwest Bluff Cliff and cave exploration, snorkelling ocean exploration, snorkelling GoPro underwater photography, snorkelling Sea Bob tours, paddle boarding, kite surf camps, PADI introductory dive camps, Hobie sailing academy.

Meanwhile, on land, the NDC organizes nature photography, mountain bike excursions to North West Point, island safaris, and Go Pro movie making!

Children aged between five and 12 years of age can take to the water with the NDC's Learn to Sail Academy, Swim Camp, and Kitesurf Kids Lesson (ages seven +).

Those who prefer staying ashore can partake in Amanyara's shoreline scavenger hunts, Rocky Shore critter safari, night-time critter safari and gardening in Amanyara's extensive organic garden. To get up close and personal with nature, the NDC's Birds of the Islands, Animals of the Islands, Sea Animals of the Islands and Plants of the Islands programs offer the perfect child-friendly wilderness experience.

NDC creates programs to showcase our youths athletic skills in tennis, boxing, soccer, and basketball. Along with wellness bootcamps, youth yoga and meditation classes that are offered to our young adults.

For creative souls, the NDC provides the perfect place from which to let artists express themselves with nature art, nature journaling and stop animation movie making - just a few of the activities on offer in Amanyara's cultural hub.

#### **Cooking Classes**

Join our experienced chefs for fun in the kitchen and enjoy learning the foundations of cooking. Children will enjoy create and decorate giant cookies, brownies, and smoothies while teens (and adults!) can learn the art of pasta, bread, cookie, ice-cream, and pizza making!

#### **The Clubhouse**

Reconnect as a family doing all the things you did as a kid. The Clubhouse offers an indoor games room, an outdoor soccer pitch, beach volleyball, basketball, and tennis courts.

#### **Movie Nights**

By night, the cosy clubhouse space transforms into a comfortable cinema space. Here children of all ages can relax following a busy day with a family-friendly film enjoyed alongside freshly made popcorn under the supervision of Amanyara's Clubhouse team.

### Youth Yoga

Within the realm of yoga, there is something for everyone. Yoga is a fantastic choice of exercise for children with breathing and meditation exercises introduced in the sessions foster calmness. The effects on psychological well-being can be enormous allowing children to develop their confidence and self-esteem, as well as learn the values of trust, teamwork and self-control. Amanyara's Youth Yoga relieves stress and improves overall health, helping the children be more well-balanced.

### Mindful Meditation

Teaching children to look after their minds is just as important as teaching them to care for their bodies. Introducing children to meditation early on can help them learn how to calm their minds and use healthy coping mechanisms for the rest of their lives. Sometimes getting a child to sit in quiet stillness is not as easy as it looks. At Amanyara, we explore the basics of meditation and the benefits and how to give children of all ages the tools they need to practice.

### Intro to Pilates

For children, Pilates assists with physical and emotional development, improving balance and coordination as they grow. By practising Pilates, muscles become more flexible and stronger, allowing healthy development of the musculoskeletal system which in turn, improves sports performance and prevents injuries. Pilates can also develop a child's interpersonal skills and confidence. For the youngest children, Pilates helps build self-assurance in the performance of the exercises by creating patterns of motion and using their imagination; this also increases attention span, thus developing concentration skills.

## Culinary Journey

In Amanyara's mesmerising setting, dining isn't limited to in the Restaurant. Using seasonal ingredients from the resort's aquaponic garden, guests can dine in a number of private locations or even learn to cook themselves alongside our executive chefs.

### Private Dining

Private dining is available daily from 7am until 10pm for guests in the comfort of their own Pavilion, on the beach, or anywhere else. Enjoy a starlit dinner in a secluded cove, a private beach BBQ with your own bonfire, or a cliff-top overlooking the ocean. Wherever you dine, a discreet host will be on hand. Plan your menu with our executive chefs to ensure every detail is perfect.

### Mixology Classes

Join our master mixologist in the Bar as he creates unique, handcrafted cocktails. Incorporating a number of locally sourced ingredients and homemade syrups, An mixologist will guide you through the process of creating bespoke creations, tailored to your palette. During the one hour session, guests will learn about spirits, how to balance flavour profiles and how to showcase local ingredients. For a child-friendly class, mocktail are also an option providing a fun bonding activity for all the family.

# Yacht Charters

What better way to reveal the beauty of the island than by boat? Taking to the water on a private charter, you'll explore hidden coves, cruising through the warm sea breeze with a Captain at the helm to ensure every aspect of your adventure is completely seamless. Please contact the Amanyara team for more details and prices.

Vessel: 26ft Hurricane

## Private Boat Charters with Captain Greg

Vessels: 26ft Hurricane Tri Hull

In the safe hands of Captain Greg, an Island Discovery Cruise is available for a full or half day and offers an uncompromising opportunity to discover the beautiful beaches and coastline of Providenciales and to marvel the surrounding islands and cays. Experience deserted beaches, spectacular views, world-class snorkeling and indulge in a well-earned picnic lunch.

Alternatively, the Sunset Cruise allows guests to glide along the Grace Bay area to enjoy an iconic Turks and Caicos sunset, gazing out to the horizon as the turquoise waters turn shades of orange and the day turns to dusk. Sip cool champagne, take in the views and savor every moment with your closest family and friends.

#### Fishing Charters with Grand Slam

Vessels: Angler Management (48ft Ocean Super Sport Open Express)

A family-operated business, Grand Slam Charters knows how important it is to make every fishing trip the most memorable yet. Finding pride in the islands, their crew and the waters that surround, though Grand Slam may not be able to guarantee fish, they will ensure an unforgettable adventure on their Angler.

Turks and Caicos offers exceptional fishing throughout the year, voted "World's Best" for marlin, yellowfin tuna, mahi mahi and monster wahoo - all within just 2 miles of the "World's Best Beach." Choose from a range of fishing techniques including Offshore or Deep-Sea Fishing, known as 'the sport of kings,' or Sports Fishing & Bottom Fishing.

Unlike deep sea fishing which takes place offshore, sports fishing usually takes place either inside of the outer reef or just outside the reef, where the deep water teems with wildlife. "Green Water" Reef bottom fishing in Turks and Caicos is a wonderful way to enjoy a day at sea for the whole family. After a 30-minute trip across the nature reserve, arrive at the inner reef where coral heads are brimming with all types and sizes of stunning tropical fish. Full or half day fishing charters are available with refreshments and soft drinks included.
