Aman Club Programming

Aman New York Residence owners are invited to enjoy exclusive Club Programming at Aman New York, which fit into three categories: Private Collection Programs, Urban Wellness Immersion Programs and Performing Arts Programs.

Private Collection Programs

Aman Club is pleased to introduce the Private Collection Programs, an exclusive benefit to Aman Residence Owners. This series of three unique programs offers the opportunity to assemble a private collection of wines, spirits, and cigars for exclusive consumption within the Aman Club under the expert guidance of our sommelier.

Private Spirit Collection

Elevating the art of bar, spirit aficionados can enjoy prized selections at their leisure through a Private Spirit Collection. Aman Residence owners are given a key to their own spirit cabinet with a corresponding number and provided with assisted access to their favorite bottles upon request.

Schedule a private consultation our sommelier to discuss your preferences and make selections from a curated spirit menu. Your private spirit cabinet will be presented to you along with a special gift as you are welcomed into the Aman Club Lounge to begin your journey into the program.

Private Cigar Collection

Aman Club features a state-of-the-art, hand-crafted, walk-in humidor designed to house private cigar collections and where Aman Residence owners are assisted in ordering premium and rare cigars from renowned cigar vendor partners. Private storage grants the resident owners access to their prized collection whenever they wish. Cigar service is presented by our Cigar Butler on the private Cigar Terrace.

Schedule a private consultation with an Aman Club host to discuss your cigar preferences and place an order from our curated cigar menus, serviced by our exclusive cigar vendor partners. Your private cigar locker will be presented to you along with a special gift as you are welcomed into the Aman Club Lounge to begin your journey into the program.

Private Wine Collection

Launching Fall 2022

Aman New York residence owners are invited to gain access to a rare library of hidden gems, leading the journey of discovery into exotic grapes of remote areas, while embracing and developing individual preference.

Reserve a private consultation with our sommelier and gain access to this curated list of rare labels and begin their journey into the Private Wine Collectors Program.

Urban Wellness Immersion Programs

Find greater serenity through tailored wellness immersions and treatments informed by the Aman Spa philosophy and fitness programs led by expert trainers.

Aman New York Spa

Aman Spa has the facilities, expertise and technology to help guests achieve any wellness goal, whether rehabilitating an injury, working towards a marathon, or reducing stress. Providing self-optimization and effective fast-track methods, customized programs draw on the latest research in brain functionality, movement scanning, metabolic examination, sleep and diet to enable peak performance and a whole new level of personal wellbeing.

Varying in duration depending on goals and personal preferences, programs range from three-night in-house Immersions and two-week Introductory Immersions to robust 12-week Urban Immersions.
