Activities & Excursions

Camp Sarika's large offering of outdoor activities -from adrenaline-fueled Via Ferrata climbs to relaxing horseback rides and enchanting boat trips on Lake Powell- makes it the ideal springboard to reconnect to the natural world while discovering the fascinating landscapes surrounding Amangiri.

Lake Powell

From twisting slot canyons to hanging gardens, Lake Powell provides access to some of the most amazing scenery on the Colorado Plateau. Enjoy the turquoise waters aboard a high-speed motorboat or explore up lake canyons on jet skis.

Hiking & Via Ferrata

A number of on-property hiking trails start from the resort, leading guests to picturesque viewpoints and other sites of interest. All trails are graded for intensity, and some include exciting via ferrata fixed climbing routes.

Horse Riding

To experience the pristine desert panorama on horseback is an iconic American Southwest adventure. Amangiri offers on and off-property rides suitable to all experience levels.

Hot Air Balloon

Launching from Amangiri at sunrise, hot-air balloon flights offer extraordinary views of the property and desert landscape beyond. Because launches are subject to weather conditions, Amangiri typically schedules balloon flights only in the cooler fall and winter months, though spring and summer flights are available by special request.

Air Tours

Take to the skies for an adventurous private air tour of Grand Canyon National Park, Zion National Park, Bryce Canyon National Park or Monument Valley. These scenic helicopter tours provide a unique vantage point from which to admire the magnificent and varied landscapes of the Colorado Plateau.

Slot Canyons

Sculpted over millions of years by wind and water, slot canyons represent some of the region's most unique sandstone formations with their curving, multicoloured walls. Amangiri offers guided walks through a number of slot canyons close to the resort.

Monument Valley

The Monument Valley Navajo Tribal Park is located within the Navajo Nation Reservation, lending it a unique cultural aspect. It looks much the same today as it did a thousand years ago.

National Parks

Amangiri's location in the Grand Circle region of the Colorado Plateau is within easy reach of the highest concentration of National Parks in the United States. Bryce Canyon National Park, Zion National Park and Grand Canyon National Park, one of the natural wonders of the world, are all within 2.5 hours' drive.
