Fireside storytelling and stargazing in the evenings enable a deeper immersion in Native American culture, while expert archaeologists and palaeontologists share the region's history.

Exclusive adventures can be arranged to complement a celebratory stay.

Guests seeking relaxation and tranquillity before or after the excitement of celebrations can retreat to Amangiri's 25,000-square-foot Spa, which offers an extensive menu of massages, beauty treatments and restorative therapies.

Camp Sarika Adventures

Thousands of square miles of untouched desert landscape surround Camp Sarika, offering an exclusive opportunity for outdoor adventures from hiking and climbing to scenic flights, boating on Lake Powell and horseback riding. Whether touring by air, car or on foot, Camp Sarika guests have access to expert in-house and local guides offering custom itineraries.

Via Ferrata

Invented centuries ago in the Italian Alps, a Via Ferrata ('iron path') is a series of cables and ladder rungs fixed to a rock face to enable the ascent of steep mountain routes. Guests can enjoy seven different guided routes, each climbing around 400 feet through the otherworldly landscape and offering breathtaking views. Several of the routes connect to the Cave Peak Stairway, a 120-step, ladder-style suspension bridge.

The Amangiri Spa is a destination in its own right where guests find tranquillity and stillness in a range of dedicated wellness spaces. These include the Water Pavilion, indoor and outdoor treatment rooms, the yoga studio, beauty salon and fitness centre. Guests are also invited to enjoy Aman's wellness menu at Camp Sarika, whether preparing for a special occasion or retreating after a day's celebrations.

Amangiri's expert therapists offer signature treatments and journeys drawing on the elements of earth, wind, fire and water.
